

JAPANESE TOWN SWEEP BY FIRE

TOKYO, March 8.—In a fire at Nigata over 1,500 houses were destroyed last night and several lives were lost. The fire raged for ten hours, and was not extinguished until nearly daybreak this morning. Buildings on twenty-one of the principal streets were destroyed. Several foreign missions in the fire-swept area were destroyed. The property loss cannot be estimated, but it is thought it will run into millions. In the destroyed district there were several large factories and many fine residences. It is not known how the fire originated.

COURT RECORD

DISTRICT SUPREME COURT.

They regulate the bowels. Purely vegetable. Small Pill. Small Dose. Small Price.

Prize of Five Dollars Offered Times Reader For Cleverest Answer

Gen. George H. Harries, general manager of the Washington Railway and Electric Company, and William F. Gude, president of the Petworth Citizens' Association, met the other day.

Said Mr. Gude: "When are you really going to improve the abominable service we get on the Brightwood car line?"

Said General Harries: "Of course, you know we are operating that line at a distinct loss. Nevertheless, we want to do everything possible to better the service for our patrons, and we shall be able to make improvements there soon—very soon."

Perhaps General Harries thought more than he said. If so, what was it?

Think it over. What DID he think? Send your answer to the Question Editor, Washington Times. The person submitting the best answer will receive five dollars. The answer may be from one to twenty-five words. All replies MUST be written on postal cards and contain full name and address of sender. Answers will be accepted until 6 o'clock Saturday afternoon, and the name of the person submitting the best reply will be published in The Sunday Times.

RACE TRACK BILLS READY FOR BALLOT

ALBANY, N. Y., March 8.—With the chairman of the codes committee of the senate and assembly both strongly in favor of the Agnew-Hart bill, which have for their object the abolition of race track gambling, there is every prospect that the measures will come up for a vote in each house during the week.

Senator Henry W. Hill, of Buffalo, who is chairman of the senate committee on codes, and who presided at the two hearings given on the bills, has come out strongly in favor of the measure.

"In my opinion, the Agnew-Hart bill will be reported, and that means that I am going to vote for it in the committee, so that the matter may be presented to the senate for its consideration."

There is no doubt expressed that the bills will not be finally passed, but the Jockey Club's plan to delay the measure is well known, and has been reckoned with. However, it is probable that the vote will be taken in the senate on Thursday morning.

On the assembly side of the house it is believed that the bill also will be reported out of committee, but if it is not, Assemblyman Murphy will move for the discharge of the committee.

G. W. U. WILL ENTER RELAY WITH V. P. I.

It is understood this morning in track circles at the George Washington University that the relay team will be matched to run the quarter from the Virginia Polytechnic Institute in the intercollegiate games at Richmond. The Hatchette team will probably consist of practically the same men as in its race with the Catholic University in Baltimore two weeks ago—Fleming, Claggett, Brame, Sterrett, and Birney. Besides these men Sterrett will compete in the pole vault for the championship of the South, and Fontaine, who captured the shot-put in the Hopkins meet at V. P. I.'s fastest man in the quarter, while the make-up of the remainder of the team.

Luttrell, a former Western High School athlete and halfback on the Polytech football team, is reported to be followed by a general discussion of the subject. The public is invited to the meeting.

MURDER REPEATS SWAMP MYSTERY

Woman's Body Found Near Same Spot—Similarities Strange.

NEW YORK, March 8.—The police of Newark, in attempting to solve the mystery which clings to the death of a woman whose body was found in the Passaic river, near the swamp where Mrs. Lena Whitmore was slain, were today inclined to the belief that the same land was responsible for the murder of both, and took up the hunt for the slayer on this theory.

Many circumstances are strangely similar in both crimes. The woman, whose body was found by a river boatman, had had her clothing stripped from her to hide her identity, in precisely the same manner as the clothing had been stripped from the body of Mrs. Whitmore.

The body was found near the same swamp. There were other evidences indicating that the dead woman had been on board one of the boats along the river bank, had had an altercation with some men, had been beaten over the head, and then flung overboard.

Deafness Cured BY NEW DISCOVERY
"I have demonstrated that deafness can be cured."—Dr. Guy Clifford Powell.

The secret of how to use the mysterious and invisible nature forces for the cure of Deafness and Head Noses has at last been discovered by the famous Physician-Scientist, Dr. Guy Clifford Powell. Deafness and Head Noses disappear as if by magic under the use of this new and wonderful discovery. He will send all who suffer from Deafness and Head Noses full information how they can be cured, absolutely free, no matter how long they have been deaf, or what caused their deafness. This marvelous Treatment is so simple, natural and certain that you will wonder why it was not discovered before. Investigators are astonished and cured patients themselves marvel at the quick results. Any deaf person can have full information how to be cured quickly and cured to stay and home without leaving home. Write today to Dr. Guy Clifford Powell, 734 Bank Bldg., Peoria, Ill., and get full information of this new and wonderful discovery, absolutely free.
